ALL ABOUT SUSANA & JASON BENNETT

The Bennett's have lived in Westridge for almost 5 years. They have 3 children, two in high school and one who has graduated college. A fun fact about the Bennet's is that they are childhood sweethearts having met at the age of 12. They are adventurous, creative, easy-going and can't live without God in their lives guiding and leading them! Susana is a preschool teacher and also the owner. "I love kids and feel blessed to be able to watch and help develop young minds" she says. Jason is a Business Analyst which allows him to problem solve and help people find resolutions which he loves. The Bennett's live by the motto, Prov. 16:3 "Commit to the Lord whatever you do and HE will establish your plans". Huge thank you to the Bennett's for their constant volunteer work at the social community events!
